## ABOUT THE BAND

---

Left Turn Clyde is a Kamloops, BC-based high-energy two-piece known for electrifying live performances, blending rock, country, and roots music. With decades of combined experience, we deliver powerful vocals, pounding drums, and gritty electric guitar - guaranteed to get you moving.

## BAND MEMBERS

---

### **Sir Michael**

*Drums & Lead Vocals*

A seasoned performer with 20+ years of experience driving the heartbeat of live performances, Sir Michael brings powerful lead vocals and thunderous drum work, rooted in rock and country traditions. His high-energy stage presence and crowd engagement are contagious.

### **Rusty**

*Electric Guitar & Vocals*

Bringing raw energy and soulful playing, Rusty's guitar work fuels Left Turn Clyde's high-energy sound. A versatile rhythm and lead guitarist across diverse styles, Rusty is a towering figure with a bigger-than-life sound who dominates the stage.

# EXPERIENCE & HIGHLIGHTS

---

---

Diverse covers spanning several decades, including hits like:

She Ain't Pretty

Hurts So Good

Footloose

Fishing in the Dark

Lager and Ale

Mr. Brightside

Friends in Low Places

# PROFESSIONAL EQUIPMENT

---

Left Turn Clyde comes fully self-contained with professional-grade equipment, including quality microphones, professional PA system, and mixing console. We handle all our own sound setup and operation, so venues can focus on what they do best. This means seamless performances with consistent, professional sound quality - no need to source or coordinate equipment.

## WHY LEFT TURN CLYDE?

---

- **Proven Track Record:** Decades of combined experience with featured performances at major regional events
- **Community Builders:** Active organisers of the local jam night scene, demonstrating deep commitment to live music culture
- **Versatile Setlist:** Songs spanning multiple genres, ensuring every audience finds something they love
- **Professional & Reliable:** Consistent booking history and strong venue partnerships
- **High-Energy Performances:** Two-piece setup that delivers the sound and presence of a full band
- **Audience Engagement:** Known for connecting with crowds and creating memorable experiences
